THE COMMONWEALTH OF MASSACHUSETTS

AFFIDAVIT OF FACT

Date: 19th Dhul Hijjah 1442: [19, August 2021]

As Salaam Alakum;

I am Aban El Curragh in proprio persona sui juris, a Moorish American National, aboriginal and indigenous.

I have been adjudicated on by an administrative tribunal in Malden District Court and held in Essex County Correctional Facility with no charges as well as my peers; Tarrif Sharif Bey, Jamil Rasul Bey. Our consul has sent countless documents proving who we are to Malden District Court and have proof that those documents have not been filed by the clerks; this violates title 18 USC §2071. Our consul also submitted our federal credentials on the record in a statutory 58A Hearing on Tuesday, July 13, 2021. We have been labeled; "black, latino, Hispanic," as artificial fourteenth (14th) amendment entities to denationalize us which is a violation of title 18 USC 241-242. We also have a live testimony from Julisa El, a member of our consul, on Tuesday, July 13, 2021, proving that we are in fact Foreign Nationals. That was sustained on

record by acting Judge Emily A. Karstetter and the ADA (Assistant District Attorney) Graham Van Epp's objected to it. Acting Judge Emily A. Karstetter continued to adjudicate whilst violating her own oath of affirmation to the American Constitution via Article 1§10: Impairing the obligation of contracts, Article 3 §2: Not proving jurisdiction over matters of diversity of citizenship, Article 3 §3: Engaging in treason thirty (30) times in four (4) court proceedings being that the cases are severed. In Article 6, not adhering to the Treaty of Peace and Friendship, of our two (2) respected Nations Morocco and the United States, being the Supreme Law of the Land.

On Tuesday, July 6, 2021, during the first court proceedings Emily Karstetter removed our counsel from the courtroom and forced court appointed attorneys on us. To add, we still have not seen a signed sworn affidavit from the injured party that we are supposed to provide remedy to. Karstetter violated our fifth (5th) Amendment right to due process to not be deprived of life, liberty and property without just compensation of the US Constitution. Our sixth (6th) Amendment rights, as well as the Treaty of Peace and Friendship: Article 20, were violated by denying us of our counsel and not showing us the nature of accusations being held against us. Our eighth (8th) Amendment via the US Constitution and Treaty of Peace and Friendship: Article 16, was violated by them placing a one million dollar (\$1,000,000) bail after stating we cannot afford attorneys. As well as subjecting us to being held unlawfully without bail in Essex County while separating us from our peers. We are victims of human trafficking and genocide via Title 18 USC subsection 1091. We have also extorted finances, title 18 USC chapter 41, title 18 USC subsection 880, by forcing our loved ones and counsel to finance our phone calls and canteens.

Furthermore, I have been violated via my fifth (5th) Amendment by having my glasses taken from me in Essex County. This is causing myself physical and emotional distress being that they are a negative seven (-7.00) prescription and I cannot finance another pair. We have been forced and subjected into slavery violating the thirteenth (13) Amendment and the Treaty of Peace and Friendship Article 16, by forcing us to move into a cell where a man committed suicide. The Sheriff Kevin F. Coppinger and superintendent Aaron Eastman forced us to clean the cell; it was littered with mold, rust and lice. We had also been barred from viewing our evidence and mail from our consul and loved ones for just about a month. As we were barred from viewing our evidence after receiving it this was in violation of due process and a fair trial via our fifth (5th) and sixth (6th) Amendment. Since acting Judge Emily Karstetter was replaced by Judge Peter Doyle, he also adjudicated on us engaging in treason, as well, on August 9, 2021, by not giving us a fair and just trial. This violates our fifth (5th), sixth (6th) and seventh (7th) Amendment. The trial was motioned for a continuance immediately at the start without hearing any other parties speak, as we were all muted. Aforementioned, this violates our fifth (5th), sixth (6th) and seventh (7th) Amendment, Article 3 §2, Article 3 §3, Article 6 of the American Constitution as well as Treaty Articles 16 and 20. We are still currently being held unlawfully and ask respectfully to be released. I affirm on the penalty and perjury that all stated facts are true to the best of my knowledge so help me Allah.

UNDER PENALTY OF PERJURY

Under penalty of perjury and persecution from the Moorish Nation, I do declare and state for the record, to the best of ability, that all claims and statements made in this affidavit are true, factually based and not made for, nor intended to be used for fraud, misrepresentation, misprision nor usurpation. A Free Moorish American Nationals and citizens of the free National Government of Morocco, I am: Alma El Curragh. In honor of my Moabite ancestors to time immemorial, exercising the Divine and Common-Law-Right to Jus Postliminii, in accord with the high principles of Love, Truth, Peace, Freedom and Justice.
